Action Taken

June 2017

Export applications and payments were received in the Commission's office during the month of June 2017. The following applicants were recommended for approval:

Non-Federal:

University of Arkansas at Little Rock (AR) FY2016-2017 [vote 4-0-0]

Rule 1.4 allows for the approval of export applications by electronic methods.

The applications were sent to the Commission members for their review and subsequent vote to approve or deny authorization to export low level radioactive waste from the Compact Region.

RECORD OF VOTE

The applications to export were approved by majority vote and the Authorization to Export Waste certificates were issued.

A record of the electronic vote is maintained in the Commission's office.
